I know the difference between the two and that they have different characteristics. However, I never thought about when I should use one or the other. For instance, these two statements are of equal meaning in regard to the problem I am currently working on: If one of your names contains "jack," your English grade must be B- or higher. If your name contains "jack," your grade must be B- or higher. But my teacher would say #2 is obviously wrong. I, however, thought #1 was wrong as well. Are these

The term "liliana" is a combination of the words "little" and "hannah" and means my favorite, littlest, cutest, darling, beautiful little girl baby. My liliana was born at 13 weeks and 10 days gestation and weighed 3 lbs 6 oz. She is really the happiest of babies and I'm so excited to bring her home in a couple of days. "Liliana" is short for my "best" little girl who will forever be in my heart and always special to me. This picture was taken when she was less than two weeks old. The photographer said she looked incredibly happy but she must have been like this the entire time. We are so lucky to have been blessed with the most beautiful daughter. To see the first picture taken of Hannah, click here. To see photos of her first few days here. A natural child photography experience "Hannah is a natural at this. She's a pretty "chill" f678ea9f9e
